GOOD NEIGHBOR PLEDGE

Thank you for partnering with Good Neighbor Homeless Shelter in 2011. We are excited for this new year and for this time in the life of the Shelter as we look to take it to a place of greater financial stability.

Your investment will make it possible for us to provide shelter to men, women, and children who are working hard to find jobs and become more productive members of this community.

In recognition of your donation, we pledge that we will...

- Be responsible with the funds you have extended to us, be fiscally diligent in spending them wisely and in the best ways possible to serve our guests and their needs this year.
- Be available to you, to come speak at events and share about the mission of the Shelter as needed as well as make available to you materials about the Shelter.
- Be appreciative of the sacrifice you are making to support the Shelter and acknowledge your stewardship in our work.
- Be diligent in keeping you aware of the ongoing progress at the Shelter through newsletters and visits.
- Be advocates for homeless men, women, and children at all times, finding meaningful ways to speak up for those whose voices have been quieted in order to seek what is best for them to the greatest extent possible.

Your sponsorship will make it possible for us to continue to serve hundreds of individuals in 2011 who have no where else to turn to have a safe, warm place to call home, if only for a few weeks while they work to get back on their feet. It will also make it possible for our guests to have the opportunity to set and achieve goals and identify other services in the community that can be of assistance in order for them to become productive members of the community. In addition, your sponsorship will also make it possible to provide day services to those who need a place to take a hot shower and get a hot meal.

Thank you for helping us accomplish this vital work in our community.
