Help secure a good night’s sleep for a kid in our community

Each night Good Neighbor Homeless Shelter will help keep a roof over the head of more than 35 children in our community through our Shelter and Transitional Housing programs. You can help us make this possible! In 2019 we debuted this Family-Friendly event to allow kids and their families, as well as local business partners, raise funds for the Shelter while also having fun as a team for a good cause.
